Overview

The Asia-Pacific Business Forum (APBF) is the flagship regional business forum organized by the Economic and Social Commission for Asia and the Pacific (ESCAP). With its 53 Member States plus 9 Associate Members, ranging from least developed and Pacific Island countries, to countries with emerging markets, the ESCAP secretariat, ESCAP’s Business Advisory Council and the Sustainable Business Network are the driving forces behind APBF.

APBF’s mission is to provide the best platform for regional public-private sector dialogue on the role and needs of business in achieving inclusive, resilient and sustainable development. APBF was first launched in 2004 in Shanghai, where it attracted over 2,000 participants from business, government, academia and civil society from across the region. Over the course of one decade, it has helped form a pan-Asian multi-stakeholder network, and has been hosted in various locations, such as Almaty, Bangkok, Jakarta, Kuala Lumpur and Kunming.

APBF 2014 will hold its eleventh session in Colombo, Sri Lanka under the theme “Enhancing regional business sustainability and investment” with the aim to give businesses and other stakeholders from South Asia a stronger voice.

The Asia-Pacific Business Forum (APBF) 2014 will be organized by the United Nations Economic and Social Commission for Asia and the Pacific (ESCAP) in collaboration with the ESCAP Business Advisory Council (EBAC) and the Ministry of Economic Development, the Board of Investment Sri Lanka, Federation of Chambers of Commerce & Industry of Sri Lanka, National Chamber of Commerce of Sri Lanka, Ceylon Chamber of Commerce, International Chamber of Commerce Bangladesh and Pacific Islands Trade and Invest.
